### Use of Animals for Instructional Purposes

#### Use of Service Animals by Individuals with Disabilities

For an individual with a disability, service animal means any dog that is individually trained to do work or perform tasks related to the individual's disability and for his/her benefit. For example, for an individual who is blind or has low vision, a service animal would mean a dog that helps him/her with vision, navigation, and other tasks; for an individual who is deaf or hard of hearing, a service animal would mean a dog that alerts him/her to the presence of people or sounds; and for an individual with psychiatric or neurological disabilities, a service animal would mean a dog that assists him/her by preventing or interrupting impulsive or destructive behaviors. (28 CFR 35.104)

Individuals with disabilities may be accompanied on school premises and on school transportation by service animals, including specially trained guide dogs, signal dogs, or service dogs. (Education Code 39839; Civil Code 54.2; 28 CFR 35.136)

*(cf. 0410 - Nondiscrimination in District Programs and Activities)*

*(cf. 3541.2 - Transportation for Students with Disabilities)*

*(cf. 6159 - Individualized Education Program)*

*(cf. 6164.6 - Identification and Education Under Section 504)*

The Superintendent or designee may permit the use of a miniature horse as a service animal when the horse has been individually trained to do work or perform tasks for the benefit of an individual with a disability, provided that: (28 CFR 35.136)

1. The district's facility can accommodate the type, size, and weight of the horse.
2. The individual has sufficient control of the horse.
3. The horse is housebroken.
4. The horse's presence in the specific facility does not compromise legitimate safety requirements of the facility.

The Superintendent or designee may ask any individual with a disability to remove his/her service animal from school premises or transportation if the animal is out of control and the individual does not take effective action to control it or the animal is not housebroken. When an individual's service animal is excluded, he/she shall be given an opportunity to participate in the service, program, or activity without having the service animal present.
