

Citizen Advisory Committees

The Governing Board recognizes that citizen advisory committees enable the Board to better understand the interests and concerns of the community.

The Board shall establish citizen advisory committees when required by law, to strengthen the effectiveness of district and school operations, or to enhance student learning. The purpose of any such committees shall be clearly defined and aligned to the district's vision, mission, and goals. The Board may dissolve any advisory committee not required by law when the committee has fulfilled its duties or at any time the Board deems it necessary.

The membership of citizen advisory committees should reflect the diversity of the community and represent a diversity of viewpoints.

The Superintendent or designee shall provide training and information, as necessary, to enable committee members to understand the goals of the committee and to fulfill their role as committee members.
