

**CHARTER SCHOOL OVERSIGHT**

The Governing Board recognizes its ongoing responsibility to oversee that any charter school authorized by the Board is successfully fulfilling the terms of its charter and is providing a high-quality educational program for students enrolled in the charter school.

*(cf. 0420.4 - Charter School Authorization)*

*(cf. 0500 - Accountability)*

The Superintendent or designee shall identify at least one staff member to serve as a contact person for each charter school authorized by the Board. (Education Code 47604.32)

The Superintendent or designee shall visit each charter school at least annually and may inspect or observe any part of a charter school at any time. (Education Code 47604.32, 47607)

The Superintendent or designated charter school contact shall attend meetings of the charter school governing body whenever possible and shall periodically meet with a representative of the charter school.

**Waivers**

If the charter school wishes to request a general waiver of any state law or regulation applicable to it, it shall request that the district submit a general waiver request to the State Board of Education (SBE) on its behalf. Upon approval of the Board, the Superintendent or designee shall submit such a waiver request to the SBE on behalf of the charter school.

*(cf. 1431 - Waivers)*

**Provision of District Services**

The charter school may purchase administrative or other services from the district or any other source. (Education Code 47613)

Whenever the district agrees to provide administrative or support services to a charter school, the district and the charter school shall develop a memorandum of understanding which clarifies the financial and operational agreements between them.

At the request of a charter school, the Superintendent or designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The district may charge the charter school for the actual costs of the reporting services, but shall not require the charter school to purchase payroll processing services from the district as a condition for creating and submitting these reports. (Education Code 47611.3)

## **CHARTER SCHOOL OVERSIGHT (continued)**

### **Material Revisions to Charter**

Material revisions to a charter may only be made with Board approval. Material revisions shall be governed by the same standards and criteria that apply to petitions for the authorization of charter schools as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement for charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

If an approved charter school proposes to establish or move operations to one or more additional sites or grade levels, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations or grade levels. The Board shall consider approval of the additional locations or grade levels at an open meeting. (Education Code 47605)

The Board shall have the authority to determine whether a proposed change in charter school operations constitutes a material revision of the approved charter.

### **Monitoring Charter School Performance**

The Superintendent or designee shall monitor each charter school that is authorized by the district to determine whether it complies with all legal requirements applicable to charter schools, including making all reports required of charter schools in accordance with Education Code 47604.32. Any violations of law shall be reported to the Board.

The Board shall monitor each charter school to determine whether it is achieving the measurable student outcomes set forth in the charter, both schoolwide and for each numerically significant student subgroup served by the school as defined in Education Code 52052. This determination shall be based on the measures specified in the approved charter and any applicable memorandum of understanding, and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability plan (LCAP), as reported in the California School Dashboard.

The Board shall monitor the fiscal condition of the charter school based on any financial report or information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, annual update of the charter school's LCAP, first and second interim financial reports, and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

**CHARTER SCHOOL OVERSIGHT** (continued)

The district may charge up to one percent of a charter school's revenue for the actual costs of supervisory oversight of the school. However, if the charter school is able to obtain substantially rent-free facilities from the district, the district may charge up to three percent of the charter school's revenue for actual costs of supervisory oversight or, if the facility is provided under Education Code 47614, the pro-rata share facilities costs calculated pursuant to 5 CCR 11969.7. If the district charges the pro-rata share, it may also charge one percent of the charter school's revenue in oversight fees. If the district is given responsibility for supervisory oversight of a charter school that was authorized by SBE on appeal, the district is not limited to these percentages and may charge for the actual costs of supervisory oversight and for the administrative costs necessary to secure charter school funding. (Education Code 47613)

*(cf. 7160 - Charter School Facilities)*

**Technical Assistance/Intervention**

Whenever a charter school is identified for technical assistance based on the performance of one or more numerically significant student subgroups on SBE-established criteria, the charter school shall receive technical assistance from the County Superintendent of Schools. Such technical assistance shall be focused on building the charter school's capacity to develop and implement actions and services responsive to student and community needs, including, but not limited to, any of the following: (Education Code 45607.3)

1. Assisting the charter school to identify its strengths and weaknesses in regard to the state priorities applicable to the charter school pursuant to Education Code 47605. This shall include working collaboratively with the charter school to review performance data on the state and local indicators included in the California School Dashboard and other relevant local data and to identify effective, evidence-based programs or practices that address any areas of weakness.
2. Working collaboratively with the charter school to secure assistance from an academic, programmatic, or fiscal expert or team of experts to identify and implement effective programs and practices that are designed to improve performance in any areas of weakness identified by the charter school. Another service provider, including, but not limited to, a school district, county office of education, or charter school, may be solicited to act as a partner to the charter school in need of technical assistance.

**CHARTER SCHOOL OVERSIGHT** (continued)

3. Obtaining from the charter school timely documentation demonstrating that it has completed the activities described in items #1 and 2 or substantially similar activities, or has selected another service provider to work with the charter school to complete the activities described in items #1 and 2 or substantially similar activities, and ongoing communication with the Board to assess the charter school's progress in improving student outcomes.

In addition, if, in three out of four consecutive school years, a charter school fails to improve outcomes for three or more numerically significant student subgroups, or for all of the student subgroups if the school has fewer than three subgroups, in regard to one or more state or school priorities identified in the charter, the district: (Education Code 47607.3)

1. Shall provide technical assistance to the charter school based on the California School Dashboard
2. May request that the Superintendent of Public Instruction (SPI), with SBE approval, assign the California Collaborative for Educational Excellence to provide advice and assistance to the charter school pursuant to Education Code 52074

In accordance with law, the Board may deny a charter school's renewal petition or may revoke a charter based on the charter school's poor performance, especially with regard to inadequate academic achievement of all numerically significant subgroups of students served by the charter school.

*(cf. 0420.42 - Charter School Renewal)*  
*(cf. 0420.43 - Charter School Revocation)*

**Complaints**

Each charter school shall establish and maintain policies and procedures to enable any person to file a complaint, in accordance with the uniform complaint procedures as specified in 5 CCR 4600-4670, alleging the school's noncompliance with Education Code 47606.5 or 47607.3. (Education Code 52075)

*(cf. 1312.3 - Uniform Complaint Procedures)*

A complainant who is not satisfied with the decision may appeal the decision to the SPI. (Education Code 52075)

**CHARTER SCHOOL OVERSIGHT (continued)**

If the charter school finds merit in the complaint or the SPI finds merit in an appeal, a remedy shall be provided to all affected students and parents/guardians. (Education Code 52075)

**School Closure**

In the event that the Board revokes or denies renewal of a charter or the charter school ceases operation for any reason, the Superintendent or designee shall, when applicable in accordance with the charter and/or a memorandum of understanding, provide assistance to facilitate the transfer of the charter school's former students and to finalize financial reporting and close-out.

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days of the Board's action, if renewal of the charter is denied, the charter is revoked, or the charter school will cease operation for any reason.

Such notification shall include, but not be limited to, a description of the circumstances of the closure, the effective date of the closure, and the location of student and personnel records. (Education Code 47604.32; 5 CCR 11962.1)
